

## Letter to the Editor

### Be thankful for local medical facilities and specialists

*To the editor:*

Hello... this ain't Dallas.

And it's not Houston. Dallas has Cook Children's and Baylor, to name a couple, and there's M.D. Anderson in Houston. And if that's where you need to go, no problem. But we have more here in Brownwood than you may realize.

My younger brother has had many health issues in the last few years. He is a cancer survivor thanks to the Walker Cancer Center, Dr. Cass and his staff. He is now living with diabetes and its many complications, mainly his feet. So, we would like to thank Dr. Garner and his staff at Brownwood Community Health clinic, Dr.

Buman and his staff at the Wound Clinic, Dr. Bohn and his staff, Dr. Streffling and his staff, and all the nurses on the fourth floor of Brownwood Regional Medical Center, where my brother stayed recently for several days.

To close, we would like to say "be grateful for what we have which is a lot more than you may think." My family thanks God for those mentioned who have taken such great care of Joe.

Thank you,

*The Blair Family.  
Joe "Double" Blair  
Bo "Squeak" Blair  
Brownwood*
